

## Anti Fatigue/Anti Hangover Eye Lift

Ref	1050
Short Description	Serum for Eye Area
Size	15ml
Product Presentation	Serum-Gel

### Description

An end to tired, puffy eyes after a long night. Anti Fatigue/Anti Hangover Eye Lift combats dark circles and puffiness, invigorates with Caffeine, smooths the eye area with Hyaluron and a 3D biopolymer, and has a pleasant cooling effect. The youth molecule Baikalin® restructures and tones the skin. Barley, juniper and oak bark care intensively for the skin.

### How To Use

Remove cap, pump gently and apply the serum-gel with the specially designed applicator tip on the eye contour.
