Short description	Gentle peeling gel with peeling bodies made of pure vegetable jojoba wax
Retail size	50 ml
Professional size	100 ml
Skin type	For all skin types
Product galenics	Gel with pink jojoba pearls
Scent	vanilla/coconut scent

### PRODUCT DESCRIPTION

Gentle peeling gel with peeling bodies made of pure vegetable jojoba wax, which removes dead skin flakes when rubbed into the skin, thereby dissolving and releasing the high-quality care of jojoba into the skin. The result: skin that is soft to the touch. Stem cells from butterfly bushes strengthen the skin's own defence against free radicals and have a calming effect. Roman chamomile has a soothing effect and alleviates redness. Calendula extract protects and plant glycerine moisturises.

### EFFECT AND CHARACTERISTICS

- removes dead skin cells
- makes the skin soft and smooth
- soothes, reduces redness
- moisturizes

### SPECIAL INGREDIENTS

- Jojoba beads
- Chamomile extract
- Butterfly bush extract
- Calendula extract
- Glycerine

### HOME AND CABIN USE

Apply to cleansed skin and massage in gently. After the massage, rinse the skin with warm water.
