Micellar Toning LOTION

200 ml
splash bottle
300 ml
dispenser bottle

SHORT DESCRIPTION	Tonic containing micelles
SKIN TYPE	Every skin type, including stressed skin
PRODUCT GALENICS	Liquid, pink-transparent
PRODUCT DESCRIPTION	<p>Micellar Toning LOTION is a toner enriched with micelles which act like magnets to attract dirt from the surface of the skin and remove it. Glycerine increases the moisture in the skin and reduces the transepidermal water loss. The micro-relief of the skin is smoothed. Soothing and anti-inflammatory ingredients reduce redness and ensure a balanced skin.</p>
EFFECTS AND CHARACTERISTICS	<ul style="list-style-type: none"> • Thorough removal of dirt from the surface of the skin • Increases the moisture content of the skin • Reduces the transepidermal water loss • Smooths the micro-relief of the skin • Soothing and anti-inflammatory effect • 100% vegan • free of preservatives (as defined by the cosmetics directory)
SPECIAL INGREDIENTS	<ul style="list-style-type: none"> • Glycerine: is hygroscopic and binds water in the upper layers of the Stratum corneum. This increases the moisture content of the skin and reduces transepidermal water loss. • Allantoin: the calming and anti-inflammatory properties counteract redness. • Sodium PCA: is a component of the NMF (Natural Moisturising Factor). The external supply supports the NMF and supplies the skin with moisture. • Edelweiss extract: plant extract won from the alpine Edelweiss, calms the skin and improves the barrier function. • Micelles, small detergent particles attract the dirt like magnets for a thorough cleansing experience.
USE IN THE CABINE AT HOME	Apply to cleansed skin morning and evening with cotton wool pads after cleansing.
NOTE TIP	Ideal for use with Gentle Cleansing CREAM .
