Anti Wrinkle / Anti Dryness SERUM

30 ml dispenser
50 ml dispenser

SHORT DESCRIPTION

Anti Wrinkle/Anti Dryness Serum

SKIN TYPE

Dry skin, skin in need of regeneration

PRODUCT GALENICS

Serum in oil

PRODUCT DESCRIPTION

Anti Wrinkle/Anti Dryness SERUM is a serum in oil developed specially for dry skin, with a tendency towards wrinkles and lines, which is in need of regeneration. Glacier water from the Swiss Alps is transported by liposomes deep into the Stratum corneum supplying the skin there with moisture. The Matrixyl 3000 is a highly-effective peptide which smoothes and lifts the skin. When used regularly, the depth and volume of wrinkles can be visibly reduced. Valuable lipids ensure a relaxed sense of well-being.

EFFECTS AND CHARACTERISTICS

- Long-lasting lipids and moisturising of the skin
- Smoothes the micro-relief
- Provides intensive moisture to the Stratum corneum by way of liposomes
- Increases the moisture content of the skin
- Reduces the transepidermal water loss
- Smoothes and lifts the skin
- Reduces the depth and volume of wrinkles
- 100% vegan
- free of preservatives (as defined by the cosmetics directory)

SPECIAL INGREDIENTS

- **Short-chain Hyaluronic acid:** Short-chain Hyaluronic acid is able to penetrate the upper layers of the Stratum corneum and bind water there. The result is a higher water content in the skin and transepidermal water loss is reduced. The skin is supplied with long-lasting moisture and smoothes the micro-relief.
- **Lipobelle Glacier®:** Liposomal encapsulated glacier water from the Swiss Alps. The liposomes enable it to penetrate deeper into the Stratum corneum and supply the skin with moisture. The skin is padded from the inside out.
- **Glycerine:** is hygroscopic and binds water in the upper layers of the Stratum corneum. This increases the moisture content of the skin and reduces transepidermal water loss.
- **Matrixyl 3000:** highly effective peptide combination that encourages the synthesis of 5 key components of the skin matrix of the dermoepidermal junction zone. The skin is smoothed and lifted. Unpopular wrinkles are counteracted considerably. The average main wrinkle depth is reduced after two months by approximately 20%. The main wrinkle volume is reduced by about 23%.

USE IN THE CABINE | AT HOME

Apply the **Anti Wrinkle / Anti Dryness SERUM** to the cleansed skin of face, neck and décolleté and gently massage using your hands. Avoid the eye area.

NOTE | TIP

Anti Wrinkle / Anti Dryness SERUM is a perfect solution for regenerating the skin overnight!
