Anti-Wrinkle/Anti-Dryness Serum

Ref. 5410/5410P

Short description	Anti-Wrinkle/Anti-Dryness Serum
Format for Retail Size	30 ml frosted glass bottle with dispenser
Format for Professional Size	50 ml dispenser
Skin type	Dry skin, skin in need of regeneration
Product galenics	Serum in oil

Product description

Anti-Wrinkle/Anti-Dryness Serum is a serum in oil developed specially for dry skin, with a tendency towards wrinkles and lines, which is in need of regeneration. Glacier water from the Swiss Alps is transported by liposomes deep into the Stratum corneum supplying the skin there with moisture. The Matrixyl Synthe´6®, is a highly-effective peptid which smooths and lifts the skin. When used regularly, the depth and volume of wrinkles can be visibly reduced. Valuable lipids ensure a relaxed sense of well-being.

Effect and characteristics

- Long-lasting lipids and moisturising of the skin
- Smooths the micro-relief
- Provides deep supplies of moisture to the Stratum corneum by way of liposomes
- Increases the moisture content of the skin
- Reduces the transepidermal water loss
- Smooths and lifts the skin

inspira:cosmetics

- Reduces the depth and volume of wrinkles

Special ingredients:

- **Short-chain hyaluronic acid:** Short-chain hyaluronic acid is able to penetrate the upper layers of the Stratum corneum and bind water there. This results in a higher water content in the skin and transepidermal water loss is reduced. The skin is supplied with long-lasting moisture and smooths the micro-relief.
- **Lipobelle Glacier®:** Liposomal encapsulated glacier water from the Swiss Alps. The liposomes enable it to penetrate deeper into the Stratum corneum and supply the skin with moisture. The skin is padded from the inside out.
- **Glycerine:** Is hygroscopic and binds water in the upper layers of the Stratum corneum. This increases the moisture content of the skin and reduces transepidermal water loss.
- **Matrixyl Synthe´6®:** The best answer from peptid research! Highly effective peptid encourages the synthesis of 6 key components of the skin matrix of the dermoepidermal junction zone. The skin is smoothed and lifted. Clinic studies have shown that application twice a day over the course of two months, results in a reduction of the maximum wrinkledepth on the forehead by about 16 %. The wrinklevolume on the forehead drops by about 30 %. Unpopular crow's feet are also counteracted considerably.

Use in the cabin/at home

Apply the Anti-Wrinkle/Anti-Dryness Serum to the cleansed skin of face, neck and décolleté and gently massage using your hands. Avoid the eye area.

Note/tip

Anti-Wrinkle/Anti-Dryness Serum is a perfect solution for regenerating the skin overnight!

Ingredients

AQUA [WATER], BUTYLENE GLYCOL, GLYCERIN, CAPRYLIC/CAPRIC TRIGLYCERIDE, PROPYLHEPTYL CAPRYLATE, ISOSTEARYL ISOSTEARATE, OCTYLDODECANOL, PENTYLENE GLYCOL, BUTYROSPERMUM PARKII (SHEA) BUTTER, CARBOMER, HYDROXYPROPYL CYCLODEXTRINE, SODIUM HYALURONATE, HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL, PALMITOYL TRIPEPTIDE-38, HYDROGENATED VEGETABLE OIL, GLYCERYL CAPRYLATE, ACRYLATES/C10-30 ALKYL ACRYLATE CROSSPOLYMER, LECITHIN, TOCOPHEROL, TETRASODIUM GLUTAMATE DIACETATE, ALCOHOL, SODIUM HYDROXIDE, CITRIC ACID, PARFUM [FRAGRANCE], PHENOXYETHANOL, CL 19 140 [YELLOW 5], CL 15 985 [YELLOW 6].
