## Anti Blemish BALM

7,5 ml Stick with  
flock applicator

SHORT DESCRIPTION	Skin-toned balm for treating and covering
SKIN TYPE	Oily to mixed skin types
PRODUCT GALENICS	Skin-toned balm
PRODUCT DESCRIPTION	<b>Anti Blemish BALM</b> is a toned balm for the targeted treatment of blemishes. Enriched with the extract of Alpine Epilobium (Willowherb), blemishes are treated, inflammation soothed and the sebum production of the skin regulated. The special colour provides perfect coverage and conceals redness.
