MAGIC SPHERES Hydra+

Blue

PRODUCT BENEFITS

With intensively hydrating active ingredients from the sea (red and brown algae extracts) for the extra potion of moisture and a firm, smooth and radiant skin.

TARGET GROUP

MAGIC SPHERES Hydra+ are especially designed for dry skin lacking moisture.

ACTIVE INGREDIENTS

- **Glycerin:** humectant, is a natural moisture retention factor of plant origin.
- **Laminaria Digitata Extract:** dark brown seaweed that grows to two or three metres. It is rich in minerals, trace elements, vitamins, amino acids and intensely moisturizes the skin.
- **Sodium Carrageen:** is extracted from various members of the Gigartinaeae or Solieriaceae families of the Red Seaweed, moisture regulating and moisturizing.

EFFECTS AND CHARACTERISTICS

- UV protection – protects against the negative effects of UV radiation
- Anti-pollution effect – protects against the damaging influence of air pollution and maintains the skin's radiance
- Lifting effect – smoothes fine lines and wrinkles immediately
- Moisturizing and moisture-retaining
- Improves the skin's resilience and elasticity
- Tonifying, astringent and soothing

HOME AND PROFESSIONAL USE

MAGIC SPHERES are designed for use preferably in the morning as intensive treatment after skin cleansing and before applying the skin care cream. When pressing the pump dispenser the pearls and the serum blend into a lightweight skin care emulsion that can be applied easily and sparingly.
