MAGIC SPHERES

Firm & Lift

Apricot

PRODUCT BENEFITS

Contains Hyaluronic acid and Fern Extract from New Zealand for an intensive firming and lifting effect.

TARGET GROUP

MAGIC SPHERES Firm & Lift are especially designed for mature skin with wrinkles and lacking elasticity.

ACTIVE INGREDIENTS

- **Cyathea Umingii Leaf Extract:** comes from a large tree fern native to New Zealand. Polysaccharides extracted from the fern have been shown clinically to help with reducing wrinkles, toning and firming the skin.
- **Glycerin:** humectant, is a natural moisture retention factor of plant origin.
- **Sodium Hyaluronate:** Hyaluronic acid, skin's own substance, which is a strong moisturizer and moisture retaining. Due to its high water-binding capacity the skin gets firmer and smoother.
- **Tocopherol Acetate:** Vitamin E has many biological functions, the antioxidant function being the best known.

EFFECTS AND CHARACTERISTICS

- UV protection – protects against the negative effects of UV radiation
- Anti-pollution effect – protects against the damaging influence of air pollution and maintains the skin's radiance
- Lifting effect – smoothes fine lines and wrinkles immediately
- Optimal skin moisturization
- Improves the skin's resilience and elasticity

HOME AND PROFESSIONAL USE

MAGIC SPHERES are designed for use preferably in the morning as intensive treatment after skin cleansing and before applying the skin care cream. When pressing the pump dispenser the pearls and the serum blend into a lightweight skin care emulsion that can be applied easily and sparingly.
