# MAGIC GLOW Golden Tan Booster

30ml

## PRODUCT BENEFITS

MAGIC GLOW Golden Tan Booster is a highly concentrated skin care based on a blend of dry oils that makes the skin silky soft and gives a radiant complexion thanks to the gold-bronze coloured highlights. Contains a high amount of Macadamia Nut Oil and a special peptide that boosts the natural tanning process when sun bathing. Used after sun it rebalances the lipid content of the skin, strengthens its barrier function. So the sun tanned skin is ideally cared for after the holidays. Penetrates quickly and is non greasy.

## TARGET GROUP

For all skin types and consumers that want an intensive, even tan

## ACTIVE INGREDIENTS

- **Dry oils:** make the skin super soft and supple.
- **Macadamia Nut Oil:** precious natural oil, supports the hydro-lipid film of the skin, strengthens its barrier function.
- **Tan Booster Peptide:** promotes the tanning effect and conveys an even, intensive tanning.
- **Delicate Gold Shimmer**

## EFFECTS AND CHARACTERISTICS

- Parabenfree
- Mineral oil free
- Moisturizing and moisture retaining
- Makes sun stressed skin supple and soft
- Delicate shimmer with gold pigments

## APPLICATION

As a pre tan product start using it daily 2 weeks before your vacation. During the vacation use it in the evening as after sun treatment. After your vacation use it daily in the evening to preserve the beautiful tan.

**Attention: when sun bathing use an appropriate UV-Screen product!**
