Magic Eyes Complex

Skin Firming

7 x 2 ml box
25 x 2 ml box

PRODUCT BENEFITS

Magic Eyes Complex is an intensive care product for smoothing and moisturizing the sensitive eye contour. Short-chain and long-chain Hyaluronic acid and the high-tech peptide Matrixyl 3000 provide an incomparable anti-wrinkle effect. Glycerin provides moisture. To be able to achieve the best result, it is advisable to use the complex as a cure.

TARGET GROUP

Magic Eyes Complex is especially suitable for the sensitive eye area prone to dry lines.

ACTIVE INGREDIENTS

- **Glycerin:** sugar alcohol, humectant
- **Sodium Hyaluronate:** extremely moisturizing and moisture-retaining, high water binding capacity. The skin becomes smoothed and wrinkles are softened.
- **Palmitoyl Tripeptide-1:** synthetic peptide, which fills the folds from the inside. The formation of Hyaluronic acid, Collagen and Elastin is stimulated, thereby a better moisture retention within the skin is guaranteed.
- **Palmitoyl Tetrapeptide-7:** synthetic peptide, which inhibits the production of excessive Leukocytes, which are responsible for reactions and inflammations. It reduces swelling and balances the skin.

EFFECTS AND CHARACTERISTICS

- Moisturizing and moisture-retaining
- Alleviation and smoothing out lines and wrinkles
- Filling up the wrinkles from the inside out
- Stimulation of Hyaluronic, Collagen and Elastin synthesis
- Inhibiting the production of excessive Leukocytes
- Decongestant and balancing
- Softening

APPLICATION

Carefully break the ampoule with a paper tissue, give the content into hands and apply it with light pressure to the eye area, distribute it and gently pad it in.
