

## 9913/9913P Energy C

### PRODUCT BENEFITS:

Energy C Complex is an intensive repair concentrate for the regeneration and stimulation of the facial skin. Vitamin C reduces the hyper-pigmentation and age spots that occur with increasing age by inhibiting melanin production. The formation of new collagen is stimulated and the skin is intensively moisturised and smoothed by glycerin and hyaluronic acid.

### TARGET GROUP

Energy C is suitable for stressed, tired or hyperpigmented skin.

The best for a fresh feeling in the morning!

### ACTIVE INGREDIENTS

- **Glycerin:** sugar alcohol, Humectant.
- **Sodium Ascorbyl Phosphate:** salt of ascorbic acid. Vitamin C stimulates the connective tissue's metabolism and the production of collagen. The collagen degradation is inhibited at the same time. Existing damages of the connective tissue are regenerated and healed. In addition it acts as an antioxidant and inhibits melanin production within the skin.
- **Sodium Hyaluronate:** short chain and long chain hyaluronic acid, skin's own substance, which is highly moisturizing and moisture retaining. Smoothing and firming effect.

## EFFECTS AND CHARACTERISTICS

- ✓ Stimulation of the connective tissue's metabolism
- ✓ Stimulation of the production of collagen
- ✓ Inhibition of collagen degradation
- ✓ Regeneration and healing of connective tissue damage (sun, stress, nicotine...)
- ✓ Antioxidant and inhibition of melanin synthesis

## APPLICATION:

Carefully break the ampoule with a tissue, give the contents into the hands and distribute it gently with light pressure onto face, neck and décolleté line. Then apply the usual day or night care.
